Education

Sushila Devi Bansal College of Technology

B.Tech in Computer Science

2022 – 2026

CGPA: 7.65

Holy Cross Higher Secondary School

Class 12 (Higher Secondary)

2021 – 2022

Percentage: 82%

Projects

Future Guide – Career Mentorship Platform – MERN Stack

May 2025 – Jul 2025

- Developed a full-stack career mentorship platform to guide Class 10th–12th students in selecting suitable career paths using React.js, Tailwind CSS, Node.js, and MongoDB.
- Built interactive modules including PCM career roadmaps, personalized guidance flow, and mentor dashboard to enhance engagement.
- Implemented secure authentication, optimized API handling, and structured data management ensuring smooth performance.
- Improved platform performance and accessibility; achieved Lighthouse scores of 76/100 (Performance) and 80/100 (Best Practices).

Interactive Data Analytics Dashboard – Python, Streamlit, Pandas, Plotly

Jan 2026

- Built an interactive business analytics dashboard enabling real-time data exploration and insight visualization.
- Integrated data filtering, KPI metrics, and multi-visual dynamic charts for decision-making.
- Processed and transformed datasets using Pandas and displayed insights through Plotly charts and visual components.
- Focused on user-centric UI/UX with smooth navigation and optimized rendering for better usability.

Technical Skills

Languages: Python, JavaScript, HTML, CSS

Frameworks: React.js, Node.js, Express.js, Tailwind CSS, Bootstrap

Databases & Tools: MongoDB, Pandas, NumPy, Git, GitHub, Postman, VS Code

Core Concepts: Web Development, DSA (Beginner)

Achievements & Coding Practice

College Debugging Competition

2023

Participant

- Participated in college-level debugging competition.

Coding Practice

Ongoing

GeeksforGeeks & LeetCode

- Completed 160-Day Coding Challenge on GeeksforGeeks; solved 240+ problems.
- Solved 147+ problems on LeetCode and earned 2 achievement badges.

Soft Skills

- Team Management
- Teamwork & Collaboration
- Problem-Solving
- Adaptability and Flexibility
